1. General

1.1 Youth Climbing Series- Grand Final

These rules must be read in conjunction with the current regional YCS Rules.

Competitors in categories A, B and C will lead climb all routes. Competitors in category D will top-rope all routes.

The top three competitors in each category at the end of the regional series who have competed in at least 3 rounds will qualify to enter the Grand Final.

A qualifying competitor may withdraw from taking part in the Grand Final. No replacement competitor will be sourced.

At the conclusion of the Grand final competition of the annual Series, the Championship Medals shall be awarded to the competitor(s) in each category achieving the highest number of points in accordance with these regulations.

1.2 Eligibility

All ages are inclusive. Competitors must be no younger than 8 and not older than 17 on the 31st December in the year of the Series.

Colour-blind competitors must be identified as such to the Event Organiser prior to the registration deadline for the competition. The Area Youth Coordinators will inform the judges of any Colour-blind competitors.

Competitors must be registered within the deadlines published for the competition. Payment for the competition cannot be taken on the day and therefore must be made with the competition entry

Anyone route setting for the Grand Final may not compete in the Grand Final.

1.3 Scoring

The scoring for all routes and boulders will be in line with the British national competition climbing rules and regulations. These rules must be also read in conjunction with the current IFSC international lead climbing and bouldering competitions.

2. Grand Final Boulder Competition

2.1 Format

The Regional bouldering format shall be used for the Grand Final bouldering competition.

3. Grand Final Lead and Top Roping Competition

3.1 Format

The Regional lead and top roping format shall be used for the grand Final competition.

4. Grand Final Team Competition

A regional team competition will run concurrently with the Grand Final. At the end of the event, the competitors in each category shall be awarded ranking points as shown in the table in Article 0 of the current regional YCS Rules.

Where competitors are tied in a category, each will be awarded the average of ranking points shared by the tied group.

Example 1: If three competitors are tied in third place they are 'occupying' third, fourth and fifth places which would be a total of $65+55+51=171$ ranking points so each competitor would be awarded $171\div 3=57$ points.

Example 2: If two competitors are tied in second place they would each be awarded $(80+65)\div 2=72.5$ points.

Each region's team score is the sum of the best ranking points in that team.

The number of individual scores counting towards the regional team score will be the fewer of;

- The average of all regional team sizes rounded down to the nearest whole number;
- The whole regional team;

4.1 Overall Grand Final Ranking

Each competitor participating in the grand final shall be awarded "Overall Ranking Points" for each individual event.

A Ranking Point Total shall be calculated for each relevant competitor by adding together the Ranking Points awarded for each discipline

The overall winner of the YCS in each category will be the competitor with the highest number of ranking points achieved during the two-day Grand Final.

The series climb-off procedure shall be used to resolve ties after completion of the Grand Final lead and top-roping competition. A Climb-off must take place on an appropriate roped route (i.e. not a boulder).

4.2 Award Ceremonies

The competitors' award ceremony at the Grand Final shall comply with the basic IOC protocol for such events. All podium placed competitors shall attend the award ceremony. Failure to observe this regulation will make the competitor liable to a red card sanction.
