Easy to Install, Use, and Maintain

The DWMH is ideally situated for the outdoor enthusiast amongst the crags and gritstone boulders of the Roaches Estate in North Staffordshire. The former game keepers' cottage, known as Rockhall Cottage, was renovated in 1991 in memory of one of Britain's greatest mountaineers. It is leased and managed by the British Mountaineering Council, in collaboration with the Peak District National Park and Staffordshire Wildlife Trust. Whether it's rock-climbing; walking the ridge, heather moorland and river valleys; enjoying the wildlife; mountain-biking on nearby routes; or just watching the sunset over a drink or two, this location has it all. No traffic but passing climbers, walkers and wildlife; steeped in history; rich in myth and legend, you'll want to return year after year.

The hut sleeps 12 in two bunk rooms; has a lounge, well equipped kitchen, and washroom with shower (due to be fully refurbished in Spring 2015). Members of the BMC, its affiliated clubs or overseas National federations can book up the hut to 12 months in advance. Weekends (minimum 2 nights and the whole hut must be booked) are always very popular, especially with climbing clubs, but there is usually good mid-week availability, ideal for individuals and small groups. Follow the links for information about local facilities; suggestions and guides to climbing, walking, biking, nature and wildlife; and to read more about the hut's rich history.

Same day and short notice booking is now available online if you have first [registered](#) on this site. Once your payment is received by the BMC office (normal office hours) you will be automatically emailed the hut access code. 'Approved DWMH Users' can get immediate confirmation and use the hut on a 'book now pay later basis': for details [click here](#).

The Don Whillans Memorial Hut is one of three BMC managed National Huts. For more information about the Alex MacIntyre MH at North Ballachulish, in the Western Highlands, and the Glen Brittle Memorial Hut in Skye [see here](#).

Finance for the new washroom has been agreed by the BMC. We are currently finalising the design and colour schemes with our contractors (AT Commercial Interiors) and will be submitting the plans for approval to the Peak Park Authority. If all goes through, then the work is scheduled to start on 5th May 2015 and should be completed in the 2 weeks we have earmarked for hut closure. We have also submitted a proposal for renovating the patio area at the front of the hut. This is intended as a memorial to Craig Harwood, formally Chair of the BMC Huts' Committee. A memorial event is planned at the hut on or around the anniversary of his untimely death on 4th Sept 2014.
